STANLEY COOKER PRICE LIST JANUARY 2011 INCLUDING VAT

The Trade price for the cooker is supply only. **The cooker must be fitted by an experienced, approved and qualified engineer, otherwise guarantees may be void.** The Recommended Retail Price is if we carry out a survey and installation for you. Please note installation costs are extra. Delivery charges are available upon request. We do recommend our own experienced delivery team deliver all cookers. We do put them in the property where it is easy and safe to do so.
All prices include VAT at 20%.
